

# Marathon registration form 2011

## 1. Rules Marathon 2011

### Article 1 – Organization

The second edition of 'Marathon du Mans' will take place on Sunday 23rd of October 2011 organized by the association Philippidès & Co (FFA club), association law 1901, declared at the Prefecture of SARTHE under the n° W723002261 and affiliated to the FFA.

### Article 2 – Circuit

An exceptional running surface.

The running circuit is based on the 'Grand Circuit des 24 Heures du Mans', and will be entirely closed to traffic. This race will be faster than last year.

The circuit 42.195 kms has been precisely measured according to official standards. The start will be given at 9am Sunday 23rd of October 2011 on the racing Circuit des 24 Heures du Mans. The arrival will be judged on the same circuit on the straight line of the stands. The participants will run on the mythical Circuit des 24 Heures du Mans especially opened for this occasion. To see the circuit, consult the website [www.marathondumans.com](http://www.marathondumans.com). (Under reserve of eventual changes)

### Article 3 – Registration

The race is open to licensed and non licensed runners born before **October, the 22<sup>nd</sup> of 1991**. Registrations can be made by:

- The website [www.marathondumans.com](http://www.marathondumans.com)
- Or by filling the PDF inscription sheet and posting it.

Registrations will not be accepted if one of the following parts is missing:

- \* completed registration form

The official jury is made up of a judge referee, with the power and the decision of the final word. He is assisted by judges and race commissioners. Refreshment stands are installed every 5 kms also at the arrival, sponges are available every 5 km, from the 7,5 km. The times will be shown at the half way distance and at the arrival. The delay limit is 5h30, after that time, the runner's numbers will be taken. Any competitors wishing to continue after that time will be at his or her own risk, the organizers will not be held responsible in case of accident. The runner engages on his honor to complete the whole distance without shortcuts before reaching the finishing line. All runners must respect the Highway Code.

#### **Article 8 – Timing**

The timing of the event will be undertaken by an official timer recognised by FFA, using an electronic timer system. All participants will wear a timing chip or equivalent. All runners not following the traced circuit will not be officially timed and not ranked at the arrival. The running chip or equivalent system will be recuperated by the organizers at the arrival. Any non-made chip will be charged 15 € by the timing company.

#### **Article 9 – Security**

The road security will be controlled by the police force aided by competent signallers. The Red Cross or equivalent organism will be posted on the circuit, first post at 12,5 kms, then every 5 kms, having the right to stop competitors suffering from medical disorders. All competitors deciding to continue do so at their own risk and the organizers will not be held responsible in case of accident.

#### **Article 10 – Civil Responsibility**

Conforming to the rules, the organizers have taken out an insurance covering their civil responsibilities, and for the participant's responsibilities in 'Marathon du Mans'. Documentary evidence can be given to participants on demand. Concerning the civil responsibility of the runners, the intervention of this insurance is limited to the accidents they can cause during the event. If the runners have another insurance or guarantee, the guarantee of the organizers will take place as a complement. The organizers advise all competitors to have their own personal insurance notably the non licensed runners.

#### **Article 11 – Photo Rights**

Each participant when engaging, authorizes Association Philippidès & Co to use all photos, to reproduce participants names, photos, voices, in any way or means in the context of sporting events throughout the world by means known or unknown within the date limit that has been accorded within the law, the decisions by law or by the referees of all the countries present or future of the international conventions present or future.
